the Third Gds Mecz Army (Cadre), troops of ? No AAA Div of the Fourth Gds Mecz Army (Cadre) and of the 2d Gds AAA Div may have participated in these maneuvers. The repeated observation of truck convoys with AA guns, tanks and artillery pieces indicates that large contingents of troops were concentrated in the area for large-scale maneuvers which are considered the final maneuvers conducted by the Third Gds Mecz Army (Cadre) before the winter.
